

**PA Announcement
Template #2**

Good morning/afternoon _____ Elementary School! Ms./Mr. _____'s Grade _____ class is participating in the *One Simple Act* for the School program that encourages Albertans to take action on the environment. For the past month, Ms./Mr. _____'s class adopted simple actions that reduce waste, conserve water and lower energy consumption. So far they have...

- Saved enough water to fill _____ bathtubs,
- Saved enough greenhouse gas emissions to make _____ car trips from Calgary to Edmonton,
- And recycled, reduced and reused enough waste to fill _____ garbage trucks!

Stop by the classroom to see the results!

PA Announcement Template #3

Good morning/afternoon _____ Elementary School! Did you know that...

- If you turn off the tap while you soap up your hands, you can save 1 bathtub full of water in a week?
- Every tonne of recycled paper saves 17 trees?
- Computers and printers use electricity even when they are turned off?

These are some of the cool environment facts that Ms./Mr.

_____’s Grade _____ class are learning about. They have started to take actions that save electricity, reduce waste and conserve water.

Visit their classroom to find out what you can to do help the planet!
